

Public Goods Game Score Card

Name: _____

You will start each round with 10 tokens. You can keep them all in your pocket, contribute them all to the community investment fund, or a mixture of both. At the end of the round, the community investment fund will be invested and each player will get 50% of the fund. Your total score is this payout + whatever was in your pocket

Round	Invest in community fund	Keep in pocket	Community fund payout	Total at end of round
